Mason Hames

Full Stack Web Developer

Full Stack Web Developer with a background in Customer Service and life-long dedication to learning. Effective at combining creativity and problem solving to develop stable user-friendly applications. Known amongst colleagues for my strong communication skills, willingness to ask questions, and attention to detail.

Signature Achievements

Researched new testing technologies to ensure that newly added code met standards and benchmarks set by team leaders

Moderated several Adobe digital panels for a tech summit in Q3 of 2022

Professional Experience

Software Engineer I · GRIFFIN Solutions Group, LLC · 4/2022 – 9/2022 · 1 yr

Technologies: Azure · HTML5 · CSS3 · JavaScript · SQL · React.js · Tailwind Framework · Cypress Testing · Postman · MSTeams · JIRA · BitBucket · Figma · Adobe XD

- Developed several branded web applications for national and international client events with multiple languages, locations, and event-specific content to client specifications utilizing Figma and AdobeXD for design along with the Azure and BitBucket pipelines for deployment.
- Created a Node.js based application linking data from SalesForce, AWS, and the JIRA platform using SQL and API queries.

Shift Supervisor ·Starbucks Coffeehouse company · 10/2019 – 4/2022 · 3 yr

Contributed to the team's success by assisting the store manager in executing store operations, deploying plays, and delegating tasks so that partners can create and maintain a positive experience for our customers.

- Earned the Leadership role of Shift Supervisor in Q3 of 2020
- Awarded Partner Of The Quarter in Q3 of 2021 for my dedication to the store, the team, and the company's mission

---
